

TARA CHUGH

With her mix of breathy, powerful, soulful tones, ethereal harmonies and passionate piano artistry, **Tara Chugh** is a musical storyteller and pianist. Her music has a unique eclectic blend of **cinematic** and **alternative** styles, with R&B soul influences. Some of her musical inspirations include Aurora and Billie Eilish. Tara is a **Recording Academy** voting member, **GRAMMY U** Mentor, and Co-Founder of **Momentum Musician** in Downtown Tacoma, Washington.

Growing up, she had a speech impediment that led her to keep to herself, blend in the background, and to not stand up for herself. Her **storytelling writing** and **powerful** vocals, tell a story that hits deep to the core of who she is and where she came from. Tara teamed up with rock-tronic producer, **Tiq Rags** to produce her album, **ALTER EGO** (released Nov 2024) featuring elements of electronic dark synth pop and alternative undertones.

She has been working with producers to compose TV/Film soundtracks, and has partnered with several sync libraries, including '**Get It Done Records**' and '**BMG Production Music**'. Tara brings a performance that draws people in with her powerful, **ethereal**, alternative artistry. She has performed throughout the west coast with various musical groups at notable venues such as, The Showbox, Paramount Theatre, Benaroya Hall, The Spanish Ballroom, and The Rabbit Box.
